

GRUNDIG

Possibility in every drop

Introduction

[illegible]

Scope

$p p \quad p \quad p \quad p \quad p p \quad p \quad p \quad p p \quad p$

Definitions

[illegible]

Statement

The diagram consists of several horizontal lines of varying lengths, with 'p' labels positioned above and below them. The labels are arranged in a way that suggests a sequence or a set of conditions. Some labels are in blue, while others are black. The lines and labels are distributed across the width of the image, creating a complex, layered structure.
